

## **Communication Working Group Meeting April 12, 2017**

### **APPROVED MINUTES**

Attendees: Peter Langella, Rob Williams and Heidi Spear.

5:25 Peter calls meeting to order. No additions or edits to the agenda.

5:28 Peter makes motion to approve amended minutes. Heidi seconds. Motion passes unanimously.

5:35 Discussion of roles with Maureen's departure. Questions regarding whether Community Engagement team is still planning to come to a meeting as Sheila had indicated. Consensus that local advisory councils will organically develop and are not under HUUSD Board or Administration's control, but that we should facilitate information sharing and collaboration across these councils. Consensus on need to review current data on community feedback and priorities to zero in on what additional surveying we need to conduct to guide board visioning session. Consensus on benefit to developing ideas for constructive commentaries and a pool of writers on HUUSD Board. Confirm next meeting at 5:15 on May 10th. 5:30 start gives too little time for generative work.

5:55 Rob made motion to adjourn. Peter seconded. The motion passed unanimously.
