The district may provide transportation to non resident students as authorized by the school board.² Accordingly, the member district schools of the Washington West Supervisory Union: Fayston Elementary School, Harwood Union High School, Moretown Elementary School, Waitsfield Elementary School, Warren Elementary School, and the Waterbury/Duxbury Union School District (Crossett Brook Middle School and Thatcher Brook Primary School) have decided to furnish transportation under this policy.

The superintendent or designee will establish routes and designate stops after considering both the safety of children and efficiency of operation. The superintendent will consider the following factors when determining routes and stops.

1. The age and health of pupils,
2. Distance to be traveled,
3. Condition of the road,
4. Type of highway, and
5. Efficiency of route (cluster stops, etc.)

The superintendent may consider any other factors he or she deems appropriate when establishing routes and designated stops.

The superintendent shall submit to the school board for approval any contracts, leases or purchases necessary to maintain and operate transportation equipment,³ and shall include in his or her annual report to the board information as to all pupils transported by the school district and the expense thereof.⁴
